Our Goal

Vision Statement

The Sebastian Middle School Media Center strives to create an environment that promotes learning for all students by providing equitable access to information, teaching information literacy skills, and encouraging lifelong learning. The media center strives to be a center of collaborative learning that produces creative students who have an appreciation of literature, critical thinking skills, and a respect for others and self.

**Teamwork makes
the dream work.**

Welcome to the 2018-2019 school year. My name is Mrs. Barnard and I am excited to be your new Media Specialist. This is my 19th year as an educator with a specialization in English Language Arts. I am enthusiastic to enhance your information literacy skills and help you find books that you will enjoy reading. Myself, along with Mrs. Dempsey, the best media assistant ever, will be here if you need any help finding a book or for information.

SSYRA 2018-2019

We will be assembling teams for Battle of the Books based on the SSYRA books. We will also have incentives for reading the books.

MISSION: IMPOSSIBLE

The Makerspace

Your mission if you choose to accept it...

The Makerspace will be an opportunity to think, solve, and create. We have revised the missions to enhance your learning and challenge your thinking. Students may use the the Makerspace independently or with their classes.

“Reading is the sole means by which we slip, involuntarily, often helplessly, into another’s skin, another’s voice, another’s soul.” Joyce Carol Oates
