During this session, Mindset Works Instructor, Janna Peskett, will teach you:

- Strategies for praising and giving feedback to foster resilience
- An understanding of malleable intelligence & why it's critical to your child's development
- How to develop and nurture a growth mindset at home

St. Augustine local and parent of three, Janna Peskett is Director of Digital Learning & Curriculum Design at Mindset Works, the global leader in growth mindset training for educators and students. Janna is passionate about sharing the growth mindset message and believes it is the key to closing the achievement gap.

Mindset Works was co-founded by one of the world's leading researchers in the field of motivation, Stanford University professor Carol S. Dweck, Ph.D. and K-12 mindset expert Lisa S. Blackwell, Ph.D. The team translates psychological research into practical programs and services to help students and educators increase their motivation and achievement.
