

Message from the King

Home of the Eagles

Parents / Guardians

Firstly, I hope all enjoy the Thanksgiving Holiday. It has been a stressful few weeks with Hurricane Matthew and we need the time to decompress. We will spend the time over the break putting the finishing touches on some programming for December and January. I encourage you to come to campus and connect with us for any of the following events.

- ◆ Arts and Science Night, November 30th
- ◆ Holiday Band Concert, December 15th
- ◆ Fundraiser on January 12th. Faculty Basketball game vs Harlem Wizards. We will have special guests that will be joining us from RB Hunt ,Crookshank and Ketterlinus . Our hope is to build a relationship with our feeders schools and we welcome all that night. It will be fun and we will use the profits to launch our STEAM Academy.

Finally, our Media Center has been designated as a Florida Power Library. This speaks to our commitment to finding the correct material for our students and highlights the scope of work Ms. Badger does to provide the right environment in which our students can be thrive. We are one of only two school in our District to achieve this honor. The Media Center truly is the heart of our school.

As always thank you for your support,
Wayne King
Principal
Sebastian Middle School

| | ◆ Jan. 17— SAC Meeting in Multi Purpose Room |

We had over 40 runners compete in the County XC Championship yesterday at Bartram Trail High School. We had some great individual performances. On our girls side Lilly Woodruff (3), Sophie Pearson(7) and Jenna Long(10) finished in the top 10 overall. The girls team finished in 3rd place with 70pts just 10 spots behind Landrum. The boys had Cody Cooper, Ethan Bates, Pepper Shanley, Hayden Pouncy and Cole Itnyer all finish in the top 25. The boys team also finished in 3rd behind Fruit Cove and Landrum.

It was an awesome season of growth for these student athletes. If you add up all the training each runner did over the last 3 months it would be equal to them running from SMS to EverBank Field and back! If you see any of our XC runners in class or hallways please let them know how much you respect their commitment and effort.

Thanks for your support!

Shibori project using Indigo Dye.

Gaming --Club--

The Gaming is accepting new applicants!

Stop by the Media Center and see Ms. Badger or Ms. Dempsey for an application.

Nurse Colvin has a message for parents and/or guardians of all 6th grade students;

She suggest that you go ahead and get the immunizations that are required for 7th grade this year when ever they visit the doctor. This will save you time, energy or perhaps even a missed day at work next summer by not having to make a separate appointment for these necessary inoculations.

This is also a good time to mention that over the counter medicine, (Tylenol, Allergy medicine & cough drops), are allowed at school with the proper documentation from a doctor. Forms are available from the nurses office.
