

Sebastian Middle School PTO Fall 2020 Check-Writing Campaign

We made it. Here we are, back in school on the other side of the shut-down. Some Eagles are learning from home, some Eagles are in the building, but all of the Eagles are back in the nest where they belong. This is going to be a great year!

This is when we usually tell you all of the wonderful things we will be doing with your donations. The truth is we simply can't know what new things we will be asked to help with this year. Here are a few things that we do know we will be paying for:

Online Learning Programs and Platforms

Teacher Training

Support for families in need (shoes, backpacks, school supplies, extracurricular activities)

Teacher support and appreciation

Creation and development of a new Digital Lending Library for our Media Center

We cannot have any fundraising events at school for the foreseeable future, so we are having an old-fashioned check writing campaign! Remember checks? If you are anything like us, your checkbook only really gets used for paying for things at school, so we are asking everyone to open their checkbooks and give as much as they can to help the PTO support the needs of the faculty, staff, and most importantly, the students at Sebastian Middle School. If you have moved completely past check writing, please know that donations to the Sebastian PTO can be made right from your phone or computer by visiting the PTO school store at my.cheddarup.com/c/sebastian-middle-school-pto-store.

Any amount you can give will be gratefully accepted and put to immediate good use, but if you need help deciding how much to give, here are some ideas for you:

- \$10 I want to help show the faculty and staff my appreciation for all that they do.
- \$20 I want to help buy school supplies for Eagles both in and out of the building.
- \$50 I want to help purchase needed items such as shoes and to help pay for extracurricular fees and supplies for Eagles who wouldn't otherwise be able to afford them.
- \$100 I want to help get the teachers the tools and training they need to thrive in these challenging circumstances.
- \$___ I want to help the faculty, staff, and students at Sebastian get everything they need to make this a spectacular year.
