

24 April 2018

SAC Agenda and Minutes

- I. Welcome: meeting called to order at 5:15
- II. Testing Update: We are finishing up ELA for all grade levels. We have 2 more weeks of testing coming. We will get results from testing in June. This week the staff will vote the use of School Recognition Funds. Data has shown that students have made gains, so we look forward to seeing a climb in student scores.
- III. Title I Update:- Parent Involvement Plan- have workshops for parents, continue to have book club meetings, consider using social media as a tool for more parent involvement. SAC members received a copy of the SMS Parental Involvement Plan, we will go over any changes that will improve the plan for the 2018-19 school year. Please submit responses by May 3 to Heather.Hagy@stjohns.k12.fl.us
- IV. Principal's Report: STEM Certification team came out to see our school. The feedback we have received thus far has been positive, and we will receive a formal report in May.
 - a. Mr. King led the group thru an article "Teaching the Whole Child", about social emotional learning that our students need- and will build trust with teachers, their peers, and improve their ability to learn.

SAC meeting adjourned 6:04.
