

SEBASTIAN MIDDLE SCHOOL

**Super Saturday
October 27, 2018
8:30am-11:30am**

This month, sixth grade students are invited to join us in Sebastian Middle School’s Super Saturday. It is our goal to provide hands-on learning through a culinary experience and small group instruction to remediate and strengthen math skills and knowledge. Breakfast will be served when students arrive. Following breakfast, students will rotate, spending one hour cooking their baked goods and one hour working with a teacher for small group instruction within the two hour block of time.

Students need to arrive by 8:30am and report directly to the cafeteria. Student pick up will be at 11:30am at the front of the school.

Additionally, we invite parents to stay for a Parent Technology Training Session from 8:30-9:30am in the Media Center. Schoology, HAC, and other programs used daily by students and parents will be discussed. If you are interested, please indicate below.

Permission Slip

STUDENT’S NAME: (please print)

HOME/CELL PHONE:

Home: _____ Cell: _____
