To register for your account go to [www.schoology.com](http://www.schoology.com)

2. In the top right corner of the screen, hover over **Sign Up**.

3. Select **Parent** from the options in the drop-down menu.

4. You should have received a Parent Access Code from your child's school, in the format XXXX-XXXX-XXX. Enter that code here:

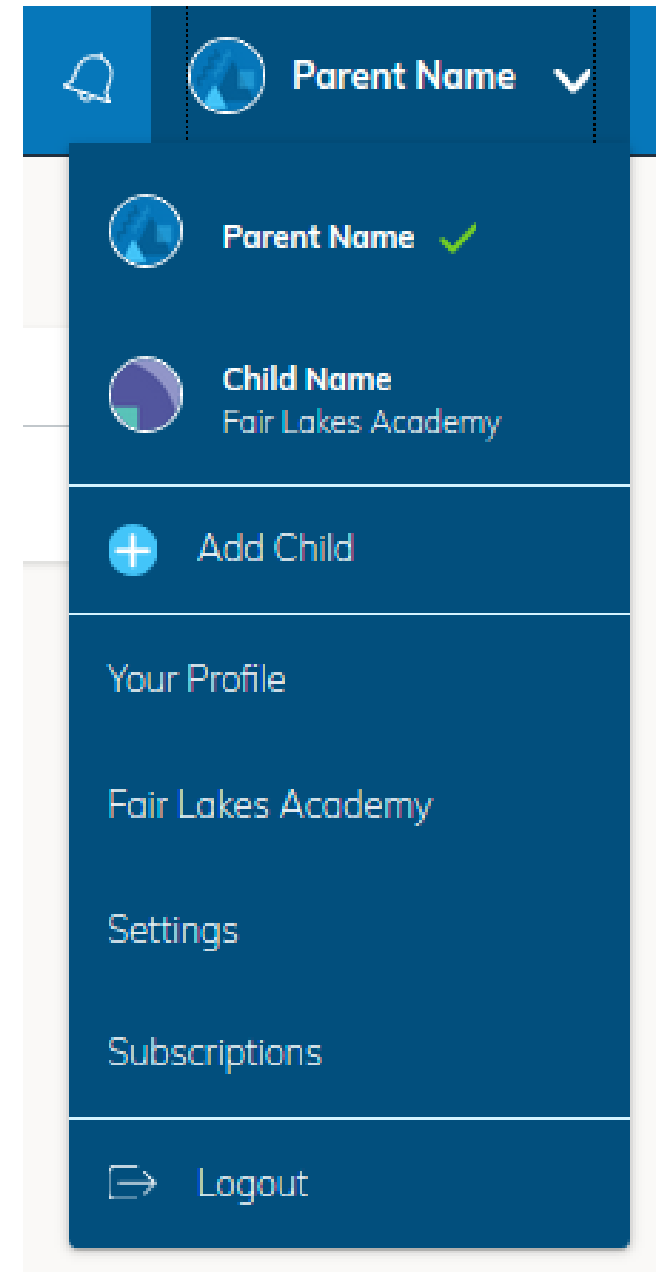

The image shows a screenshot of a web form titled "Sign up for Schoology". In the top right corner, there is a "Back" link. Below the title is a text input field containing the alphanumeric code "T28N-8HWV-C274". Underneath the input field is a label that reads "Enter the access code provided by your child's instructor". At the bottom of the form is a large blue button with the word "Continue" written in white text.

If you have not received your Parent Access Code yet, or if you are having troubles with it please contact your student's home room teacher or Mr. Raimann at [Robert.Raimann@stjohns.k12.fl.us](mailto:Robert.Raimann@stjohns.k12.fl.us)

Having a Parent account in Schoology is actually like having two accounts:

1. Your personal account, with your own name and information;
2. Your Child Activity view. From here, you can view Schoology from your child's perspective, and see what he or she sees, and receive updates about his or her activity.

Start by clicking on the arrow in the upper-right corner, next to your name, and then select your child's name to switch into his or her account. The check mark in this drop-down menu indicates which account you are currently viewing.
