District News:

- There will be no tickets available for the Friday night Football Games at SAHS. They are SOLD OUT and capacity is strictly limited to 30 percent for attendees. Only spectators with a ticket will be permitted on campus.

- The U.S. Department of Agriculture extended waivers allowing students a breakfast and lunch option available at no cost. The meals available at no cost are the posted school lunch and breakfast menu. A la carte items are not included as part of the no cost meals. A la carte items will continue to be available for purchase. Meals are also available for pick-up at all schools for anyone 18 years old or younger. Meals available for pick-up are modified for safety and may not reflect the menu served in the cafeteria. It is preferred that children are present for meal pick-up. If the child/student is not with the parent for meal pick up, USDA requires a form of ID. Valid forms of identification may include, but are not limited to, school identification card, child's passport, government-issued child identification card, or any document proving parent/guardian identity and relationship to the child, such as an adoption decree; doctor, clinic, or hospital record; religious record; or daycare center record.

**Meal pick-up times are as follows** 8:30-9:00 am in the front loop
