

Principal's Message

Dear Eagle Families,

We finished our finals this week and I would like to thank our students for working so hard. Here is the weekly update with important information as we move into the weekend.

1. There is NO SCHOOL MONDAY as we observe Martin Luther King Jr Day. It is a great time to have a conversation with our families about "Life's most persistent and urgent Question... 'What are you doing for others?'" MLK jr.
2. Please see this attachment for information on new ELA textbook adoption
3. Second Semester begins January 26th, and we return to 12:50 release on Wednesday January 27th.
4. Make up testing will occur next week. Please email Courtney.taylor@stjohns.k12.fl.us if you have any questions.
5. We are reinforcing a few things in the hallways this week. We would appreciate you reinforcing these rules at home. They are in place to keep us safe and not distracted in the hallways!
 - a. Masks must cover mouth and nose
 - b. Earbuds and phones must be away
 - c. Hoods must be down; no hats.

K. T. Gabaldon

Principal, Sebastian Middle School
