

Principal's Message

Dear Eagle Families,

Welcome to February! Thanks to all who participated in Literacy Week last week. We continue to work hard as we begin our second Semester, and delve further into Project Based Learning and STEM based activities. We were recognized in the Winter EQuIPD newsletter from the University of Florida for our STEM program. Read all about it [here](#)

- Thanks to everyone who showed up to support our boys and girls basketball teams at our first home games. Congratulations to our teams on their victories! Next week's games are away and tickets can be purchased at <https://www-sms.stjohns.k12.fl.us/basketball/>
- Many thanks to the PTO for the fun visit from The Pretzel Lady during staff and faculty lunches today. It was much appreciated and very delicious.
- Please remember students need to wear a mask at school. They should put it on before exiting the car.

S. T. Gabaldon
