Welcome back, SMS Eagles!

We are so excited to have all our Eagles back in the nest and start another successful year. After an unprecedented year of changes, we are making up for lost time and don't want to spend hours selling wrapping paper to raise money for our school. We are going to make this fundraiser easy by kicking off the year with a check-writing campaign. Dust off those old-fashioned checkbooks, and get ready to support our wonderful students and staff!

A check-writing campaign?

What's this all about?

WHO?

You! It takes all of us to make great things happen for SMS.

WHAT?

A one-time donation to support ongoing programs and events to enhance your student's learning and the SMS school community.

WHEN?

Now! Please consider making a donation as soon as possible.

HOW?

Write a check! Yep, a check! Okay...if you ditched your checkbook a long time ago, you can make an online donation here:

- professional development
- equipment & technology for innovative student programs
- support for families in need
- teacher & staff appreciation
- purchase of educational resources provided exclusively at SMS

IF YOU NEED HELP DECIDING HOW MUCH TO GIVE, HERE ARE SOME IDEAS:

- \$10--I want to show the faculty and staff my appreciation for all they do.
- \$20-- I want to help buy school supplies for Eagles.
- \$50-- I want to help purchase needed items, help pay for extra curricular fees, and buy supplies for Eagles in need.
- \$100-- I want to help teachers get the tools and training they need to thrive.
- \$___--I want to help the faculty, staff, and students at SMS get everything they need to make this a spectacular year.
