

SAC meeting September 9th at 2:15 at Sebastian Middle School

Minutes:

Meeting was started by Marilee Churchill at 2:15pm, promptly.

Attendees: Marilee Churchill – Chair. Tracy Clauson- Vice Chair. Kristie Gabaldon - Principal, Jennifer Gamble – Administration. Brent Bechtold

- I. Welcome – Marilee Churchill.
- II. II. School Improvement Plan (SIP) 2021-22

Principal Update: Not returning to pre-pandemic quite yet. No DC trip this year- district wide. Clubs are coming back this year though! There will be no “club fair.” Instead, we will have a pwpt on the school website for parents and students to look and get info on all the clubs. Clubs will meet on Tuesday. All club info will also be posted around the school. Honor Society, DnD, Chess, and more! Thursday will be for tutoring. Looking to use this time to close our gaps and clubs for school culture.

New: Infinity Learning – for math and science. Makes math and science standards into games. Gives teachers feedback on not only educational standards but their soft skills like leadership, etc. Will also use this as an incentive for whole class. We are piloting this program in the district/state.

PBIS system is going great so far this year. Students have more opportunities to spend points this year in way they are excited about.

Weekly message – even though there is no online learning “conferences” all work is in Schoology. Parents/students should be checking Schoology for work when Quarantined. All teacher Schoology pages are set up the same.

- III. Funding Request- Heather Hagy (FAEA Conference)

Total funding request \$855.50 for Florida Art Education Conference.

Brent Bechtold asked for an update on our SAC funds (but we were unsure at the time) and motioned to approve. He also wanted to know if more money

will be added to the current SAC funds or is what we have right now what we will have the rest of the year.

APPROVED UNANIMOUSLY.

IV. Public Comments - Thank you for everything. Happy clubs are being brought back.

V. Closing 2:42 pm.
