I. Welcome

II. Principal Update – Fun updates! We announced our Community Partner of the Year – Boys and Girls Club give us lots of assistance and is well deserving of the honor. Without them some students would otherwise not have access to clubs and tutoring. Nurse Colvin is our school related employee of the year. State Thespian Society Championship this past week. Students scored well and we had a student score the highest in the room! Big deal! He and 9 others will attend the state competition in January. Band Holiday concert tonight. Literacy Week in January- we have some fun things planned.

III. Update - Ms. Hagy's Art Conference – Ms. Hagy submitted a PowerPoint to thank the SAC committee and go over all the innovative trainings she attended at her conference. She covered how the strategies she learned will be taught in the class and how students will benefit from her trainings.

III. Public Comments – Next month in January we will be reviewing the questions to the SAC survey. Be thinking about what kind of questions we want to ask students and staff in our yearly survey. The current balance of the SAC fund is \$2,050. Question: could we get the survey questions through email before the meeting so we can go through them first. Answer: yessss. 😊 Question about the 8th grade trip to Washington DC – the district is not running any trips this year but there is a private trip being planned through Greenlight tours. Flyers went out through Peachjar.

IV. Closing – Meeting Adjourned at 2:18pm.
