FIRST DAY

What do I need to know about the first day of school? First of all, it will be fine!! All students will receive a schedule and a planner in their first period. Teachers and staff will be at their door or in the

hallways to assist students to find their classes every day, and will be especially attentive the first few days back.

School releases at 12:50 on August 10th and all Wednesdays.

CELL PHONES AND EARBUDS

Can I bring my cell phone to school? Yes, with the school wide expectation that they should be turned off and put away in their backpack until the end of the day. If a member of faculty sees your phone or earbuds out and in use in the hallways, or in the classrooms without teacher permission, then they will be collected. Students can get them back at the end of the day from the Dean's office. However, if the cell phone rules/expectations are broken multiple times through the school year parents or guardians will be asked to come to the school and collect the phone and/or earbuds at the front office.
