

Accessing Student Score Reports in HAC – Grades 3-10 FAST Testing

Florida statute 1008.25 requires that test results must be provided to parents within two weeks of their student's test attempt.

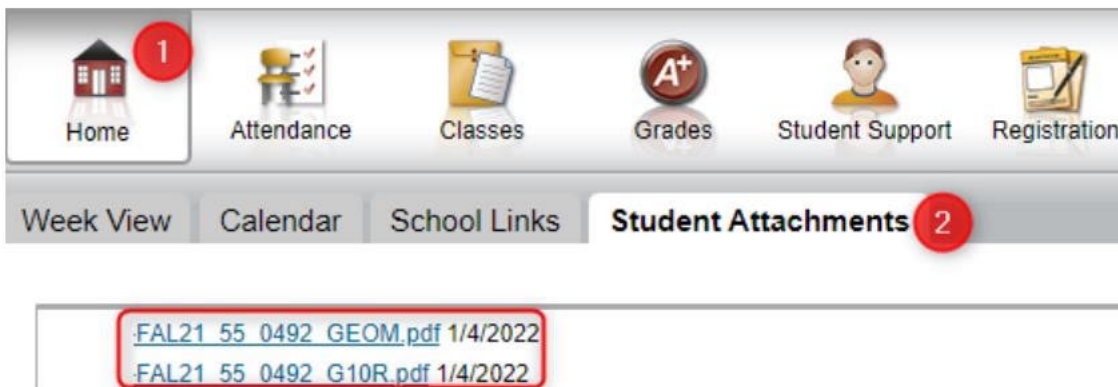

For the first progress monitoring window (PM1), the statewide Family Portal is not equipped to provide the score information within the required reporting timeline.

To comply with state statute, parents will be given online access to their student's individual score reports in Home Access Center (HAC). We ask that schools inform parents of this process and provide parents/guardians the directions to access the results online (directions below).

Parents/Guardians will login to Home Access Center (<https://homeaccess.stjohns.k12.fl.us/HomeAccess>)

1. Navigate to the "Home" screen
2. Click on the "Student Attachments" tab

A list of available score reports will be displayed. Users will click on the report they would like to view and the file will download as a pdf.

Please provide these directions to parents/guardians and let them know that score reports will be added to HAC on a weekly basis during the testing window.
