

Sebastian Middle School is looking for volunteers to serve as Proctors during the May Testing Cycle. Proctors help to oversee students as they test along side one of our teachers. While Proctors can test in the grade level of their student, they will not be placed in classrooms where their student is testing. Come help us out by following the steps below:

1. Sign up to become an approved volunteer through St. Johns School District: [Volunteer HERE](#)
2. Click [HERE](#) to sign up to Proctor in May
3. View the training presentation [HERE](#)
4. Once the spots are filled, we will contact you before the test to verify.
5. Be sure to sign the required [FORM](#) in the video presentation. You can download and print out at home, or you can sign it when you arrive to Proctor.

We are very grateful for your interest in Proctoring. Please reach out to Ellen Morfit at Ellen.Morfit@stjohns.k12.fl.us if you have any questions.
