Single School Culture

Everyday Expectations

Welcome!

Welcome to Sebastian Middle School, home of the Eagles! We are a STEAM school and offer many opportunities for you to learn and grow. STEAM stands for Science, Technology, Engineering, Arts and Math. We are proud of our unique programs that allow our student body to explore the world and engage their curiosity. We are very clear about our expectations of how we all behave at school so we can be the best students, teachers, and people we can be. Below is an introduction to our Single School Culture. If you have questions, good! We will go over expectations and procedures throughout the school year so you will always feel safe at school and know what to do.

Culture of Kindness

S.O.A.R

Show Respect

Own Your Actions

Accept Differences

Realize Your Potential

This supports the District wide program of Character Counts in the following manner:

Show Respect - Respect

Own Your Actions – Responsibility, Trustworthiness

Accept Differences – Kindness, Caring, Fairness

Realize Your Potential – Citizenship

Inquiry and Ethics of Excellence

1. We listen to each other and the teacher
2. We do our best work first time, every time
3. We ask questions when we don't understand something
4. We share our understanding and experiences to help each other learn

Through projects that connect to our learning and world, we will experiment, explore, and create!

Tardy Policy

Students are expected to be seated at their desk and ready to receive instruction when the bell rings. Students who are not in the classroom when the bell rings shall be marked tardy in eSchoolPlus. Teachers are expected to contact parent/guardian after the second tardy. Three (3) subsequent tardies to the same class will result in a referral that is to be written by the teacher in eSchoolPlus. The Deans office will also contact the parent anytime a referral is processed, and discipline is issued.

The SMS expectation is that teachers are giving instruction from bell to bell.
