We want to extend a heartfelt thank you to our amazing PTO for their generous support and hard work in making the 8th grade celebration events so special. From organizing the yearbook signing party and award ceremony to planning a memorable dance and more, your efforts have helped create lasting memories for our students as they finish their middle school journey. Your dedication truly means the world to our school community, and we are so grateful for everything you've done to make these final weeks extra special for our 8th graders. We wish all of our students the best of luck as they head into high school!
