The Middle School schedule includes 7 class periods every day.

All Sixth Grade Students will take the following classes all year:

- Language Arts
- Math
- Science
- World History
- PE
- STEM and / or Digital Discoveries

Please note:

- Students may be required to take Intensive Reading or another reading course such as Unique Skills depending on FAST. Required reading courses take precedence over elective choices.
- Placement in advanced core classes is based on teacher recommendation, grades, and FAST Math and Reading scores using the St. Johns County School District student progression plan.
- We will do our best to accommodate your elective choices, but placement is not guaranteed. In addition, elective offerings may change based on student enrollment.
- If you play a string instrument (violin, cello etc) select Orchestra. Otherwise select Band

Please circle STEM or ICT or both.

Intro to Technology / Exploring Technology (STEM)	Digital Discoveries / Career Research & Decision Making
